Nomination Statement

Minimum of 200 words.

TIPS for writing a strong nomination:

- *Give evidence to support your statements about the nominee. Use specific examples and be clear and concise.*
- *Quotes/statements contributed by co-workers, supervisors, faculty and patients are encouraged in your nomination.*
- *Make sure not to disclose any HIPAA protected confidential information, i.e. patient information or other identifiers.*

Please provide a specific story or example(s) of how this nominee goes above and beyond to create an optimal work experience for their colleagues and/or create a great experience for a patient or patient's family member.

Please explain how this nominee embodies at least one of the PRIDE Values through the above story/example(s).

A compelling story or example(s) should be heartfelt and describe how this person make you or others feel.
